

# Index to Volume 28

## A

- Abdominal aorta, Thrombosis and embolism of the, 807  
 Abscess, Retropharyngeal, and massive hemorrhage, 644  
 Abuse of prolonged rest in the aged, 803  
 Accumulated experience of the Department of Pathology, University of Minnesota, neuropsychiatric material, The. II. Brain trauma, 449  
 Acute appendicitis, 551  
 Additional data on penicillin administration, 372  
 Adenomyosis, endometriosis and cystomyoma, 589  
 Administration of penicillin by the knee-joint method, 205  
 Adrenal hemorrhage in the newborn, 1002  
 Adson, A. W.: The surgical management of cerebral aneurysms (lantern slide demonstration), 592  
 Age, Conflicts and psychogenic maladjustments incidental to, 715  
 Aged, Abuse of prolonged rest in the, 803  
 Aged surgical patients, Pre-operative and postoperative care of, 32  
 Allergy, The more recent approaches to, 993  
 American Public Health Association, A proposal of the —Local health service, 370  
 Ampulla of Vater, Carcinoma of, 225  
 Anemia, Pernicious, 818  
 Aneurysms, cerebral, The surgical management of (lantern slide demonstration), 592  
 Aorta, abdominal, Thrombosis and embolism of the, 807  
 Aorta, Coarctation of the, 300  
 Appendicitis, Acute, 551  
 Argentaffin (or carcinoid), Multiple malignant, tumors of the small bowel with disseminated metastasis, 558  
 Arthritis of the knee, Total excision of the patella for, 909  
 Asthma and formation of hernia, 727  
 Atresia, Congenital duodenal, 759  
 Atresia, Congenital, of the biliary tract, 810

## B

- Bad risk patient, Pre-operative and postoperative care of the, 34  
 Bagley, E. C., and Bagley, W. R.: Stenosis of the sigmoid in the newborn, 455  
 Bagley, W. R., and Bagley, E. C.: Stenosis of the sigmoid in the newborn, 455  
 Bagley, Wm. R.: Additional data on penicillin administration, 372  
 Bagley, William R.: Administration of penicillin by the knee-joint method, 205  
 Barry, Lee W.: Adenomyosis, endometriosis and cystomyoma, 589  
 Bayrd, Edwin D., and Prickman, Louis E.: Asthma and formation of hernia, 727

DECEMBER, 1945

- Bell, E. T.: Etiology of primary hypertension (lantern slide demonstration), 589  
 Bell, E. T.: Tumors of the breast, 560  
 Biliary tract, Congenital atresia of the, 810  
 Bladder, Cystectomy for carcinoma of the, 987  
 Bone marrow, The value of the sternal portion of the, in diagnosis, 669  
 Bowel, small, Multiple malignant argentaffin (or carcinoid) tumors of the, with disseminated metastasis, 558  
 Braasch, William F., and Mussey, Robert D.: Complications in the urinary tract during pregnancy, 543  
 Brain trauma: The accumulated experience of the Department of Pathology, University of Minnesota, neuropsychiatric material, 449  
 Bratrud, Arthur F.: Scalenus anticus syndrome, 65  
 Breast, Tumors of the, 560  
 Brief review of the present trends and needs of medical practice, 357  
 Briggs, John Francis: Complications of pneumonia, 907  
 Briggs, John Francis: Systemic sarcoidosis, 452  
 Bronchi and the esophagus, Pathologic conditions in the, 897

## Book Reviews

- American Medical Association: New and non-official remedies, 1043  
 Bunnell, Sterling: Surgery of the hand, 330  
 Everett, Houston S.: Gynecological and obstetrical urology, 253  
 Fishbein, Morris: Medical uses of soap, 254  
 Grinker, Lt. Col. Ray R.: Men under stress, 1043  
 Judovich, Bernard, and Bates, William: Segmental neuralgia in painful syndromes, 602  
 Kolmer, John A.: Penicillin therapy, 782  
 Lull, C. B., and Hingson, R. B.: Control of pain in childbirth, 420  
 McCormick, Charles O.: Pathology of labor, the puerperium and the newborn, 421  
 MacBryde, Cyril M. (editor): Analysis and interpretation of symptoms, 331  
 Strecker, E. A.: Fundamentals of psychiatry, 331  
 Weiss, Samuel: Gall bladder and bile ducts, 332

## C

- Camp, Walter E.: Classification and pathology of tumors of the retina, 317  
 Carcinoma of ampulla of Vater, 225  
 Carcinoma of the bladder, Cystectomy for, 987  
 Carcinoma of the esophagus, 1018  
 Carcinoma of the ileum, 396  
 Carcinoma, Pulmonary metastasis of, diagnosed by bronchoscopy, 554  
 Carey, James B.: Esophageal hiatus hernia, 237

1045

## INDEX TO VOLUME 28

- Carley, Walter A.: The psychosomatic approach to certain dermatoses, 202
- Cerebral aneurysms, The surgical management of (lantern slide demonstration), 592
- Cesarean section, Placenta accreta in duplex uterus found at, 547
- Chatterton, Carl C.: Osteomyelitis of the lumbar vertebrae, 1020
- Chemotherapy, Observations on, 115
- Cholecystoduodenal fistula, 117
- Chronic peptic ulcer of the esophagus, 729
- Chronic subdural hematoma, 401
- Classification and pathology of tumors of the retina, 317
- Coarctation of the aorta, 300
- Colitis, chronic non-specific ulcerative, Surgery in relation to, 228
- Colonna reconstruction operation for ununited fractures of the neck of the femur, The, 641
- Common injuries associated with football at the University of Minnesota, 755
- Complications of pneumonia, 907
- Complications in the urinary tract during pregnancy, 543
- Conflicts and psychogenic maladjustments incidental to age, 715
- Congenital atresia of the biliary tract, 810
- Congenital duodenal atresia, 759
- Control of medical testimony—the Minnesota experiment, 111
- Country practice, The last twenty-five years in a, 815
- Coventry, W. A., and Wells, Arthur H.: Chronic peptic ulcer of the esophagus, 729
- Cranmer, Richard R.: Congenital duodenal atresia, 759
- Criteria of a satisfactory operation for ulcer and causes of failure after gastric resection for ulcer, The, 66
- Culligan, John M., and Snoddy, William T.: Sarcoid spleen (case report), 568
- Cystectomy for carcinoma of the bladder, 987
- Cystomyoma, Adenomyosis, endometriosis and, 589

### Clinical-Pathological Conferences

- Adrenal hemorrhage in the newborn, 1002
- Case for diagnosis, A, (Coronary sclerosis with thrombosis; recent myocardial infarct with interventricular perforation; passive congestion of liver), 735
- Chronic peptic ulcer of the esophagus, 729
- Coarctation of the aorta, 300
- Congenital interauricular septal defect; hypertensive cardiovascular disease; chronic congestive heart failure, 299
- Diagnostic case report (Multiple myeloma; widespread mesodermal amyloidosis; severe cardiac amyloidosis; chronic congestive heart failure), 920
- Malignant meningococcal infection, 373
- Mesothelioma of the pleura, 209
- Parenteral fluid therapy, 564
- Pernicious anemia, 818
- Punch biopsy of the liver, 647
- Renal rickets, 458

1046

- Rh factor transfusion reaction and transfusion reaction instructions, 131
- Tumors of the breast, 560

### Communications

- Cochrane, Byron B., 250
- Eckhardt, Carl L., 251
- Frykman, Howard, 154
- Hirschmann, V. R., 252
- Tudor, Robert C., 472
- Wiechman, Fred H., 606

### D

- Deaths, Maternal, due to infection, 635
- Dennis, Clarence: Surgery in relation to chronic non-specific ulcerative colitis, 228
- Dermatoses, certain, The psychosomatic approach to, 202
- de Takats, Geza: Thromboembolism, 843
- Diagnostic centers—Postwar medicine in Minnesota, 284
- Diamond, J. F.: Thrombosis and embolism of the abdominal aorta, 807
- Diverticula of the jejunum, 395
- Duodenal atresia, Congenital, 759

### E

- Eckman, Ralph J., and Wells, Arthur H.: Rh factor transfusion reactions and transfusion reaction instructions, 131
- Electro-shock therapy in a state hospital, 294
- Embolism, of the abdominal aorta, Thrombosis and, 807
- Emerson, Haven: Local health service—a proposal of the American Public Health Association, 370
- Endometriosis and cystomyoma, Adenomyosis, 589
- Epidermolysis bullosa in a newborn, 128
- Ericson, S.: The last twenty-five years in country practice, 815
- Esophageal hiatus hernia, 237
- Esophagus, Carcinoma of the, 1018
- Esophagus, Chronic peptic ulcer of the, 729
- Esophagus, Pathologic conditions in the bronchi and the, 897
- Essential thrombocytopenic purpura, 198
- Etiology of primary hypertension (lantern slide demonstration), 589

### Editorial

- Another Pepper bill, 746
- Association of American Physicians and Surgeons, 141
- Benefits for veterans, 388
- Caffeine and peptic ulcer, 56
- Carbon tetrachloride, 389
- Chemotherapy of tuberculosis, 661
- Chiropractor bill in Massachusetts vetoed, 835
- Christmas seals, 937

MINNESOTA MEDICINE

# INDEX TO VOLUME 28

"Combined" immunization against diphtheria, pertussis and tetanus, 468  
 Compulsory health insurance in California, 218  
 Department of National Health, A, 663  
 Epidemic ringworm of the scalp, 217, 662  
 Expansion of medical school postgraduate instruction, 141  
 Gas gangrene, 387  
 Hospital needs, 835  
 Hospital needs in country districts, 1012  
 Immune serum globulin and measles, 310  
 Limitations of intravenous urography, 662  
 Malpractice and the staff physician, 837  
 Mayo Memorial at the University of Minnesota, The, 139  
 Mayo Memorial campaign, 581  
 Medical organization at Oak Ridge, Tennessee—site of the atomic bomb project, The, 936  
 Methionine in toxic hepatitis, 933  
 Migraine, 746  
 More farsighted policy for medicine and other sciences, A, 581  
 More nurses for the armed forces, 57  
 Mortality trends in the last two decades, 934  
 National Foundation for Infantile Paralysis, The, 56  
 National Medical Society, 468  
 New preparations of penicillin, 934  
 New Wagner Bill analyzed, The, 309  
 New Wagner Bill backed by President Truman, The, 1011  
 Occupational diseases, 747  
 Poliomyelitis, 218  
 Postgraduate medical courses for physicians returning from service, 835  
 Psychosomatic medicine, 139  
 Responsibility of the private physician in tuberculosis control, 935  
 Social Security Amendments of 1945, 582  
 State House of Delegates—1945, 469  
 State meeting cancelled, 217  
 Studies in starvation, 747  
 Three minor signs in physical diagnosis, 310  
 Two proposed Minnesota Cancer Society projects, 833  
 War's end, 745  
 Whither bound, internist? 663

## F

Fahr, George, and Schleicher, Emil Maro: The value of the sternal portion of the bone marrow in diagnosis, 669  
 Farkas, John V.: Acute appendicitis, 551  
 Fee, John J., and Tuohy, E. L.: Jaundice—a method of deciding where surgical treatment should supplement medical care, 981  
 Femur, The Colonna reconstruction operation for ununited fractures of the neck of the, 641

Figli, Frederick A., and Hempstead, Bert E.: Malignant growths of the mastoid process and middle ear, 38  
 Fistula, Cholecystoduodenal, 117  
 Football, Common injuries associated with, at the University of Minnesota, 755
